Data Conversion Specialist

Location: Corporate Headquarters, Duluth, GA
Travel: N/A

EnerGov Solutions is a leading and global provider of innovative Land, License and Asset Management software solutions designed specifically for enterprising government agencies.

JOB SUMMARY

We are currently seeking full-time **Data Conversion Specialists** proficient in data migration, database design & application development, to work in our corporate headquarters in Atlanta (Duluth), GA. This position includes performing migrations from client legacy systems to EnerGov's flagship application.

ESSENTIAL SKILLS & QUALIFICATIONS

- Strong technical background required
- Strong SQL experience including:
 - Writing and executing SQL queries to analyze and extract data from client legacy databases or files
 - Backing up and restoring SQL databases
- Data analysis experience encompassing the following:
 - Analyze data provided by clients to confirm that the data provided conforms with requirements
 - Define relationships & perform mapping between legacy data and EnerGov applications
 - Use available tools to execute and monitor the progress of migration tasks
 - Perform quality control analysis of the migration results
 - Document the results of the migration
 - Serve as a primary contact on any questions, problems or special requests associated with the data migration with EnerGov implementation team and client project team
- 2+ years programming experience (C#, VB.NET, ASP.NET)
- Adhere to established corporate Implementation Methodology & Guidelines

EDUCATION AND/OR EXPERIENCE:

- Bachelor's Degree with a specialization in Computer Science preferred (may be waved DOE)
- At least 2 years professional experience as a data conversion / migration specialist
- Solid comprehension of business/ operation concepts
- Strong Interpersonal and communications skills
- Ability to multi-task on simultaneous projects in different phases

Candidate will be required to demonstrate technical knowledge including tests for technical competency. Please only list items on your resume that you are prepared to demonstrate competency in.

EnerGov offers a competitive salary and an excellent benefits package that includes medical, dental, 401(k) matching, and paid holidays. EnerGov is an equal opportunity employer.

When you join EnerGov, you'll not only work with a team of dedicated, diverse, and highly talented professionals, you will become a member of an innovative and growing organization that takes pride in delivering premiere solutions.
